CONSEIL DE L'EUROPE

Luxembourg, 20 May 2015

Dear President and manager of the Council of Europe Cultural Route candidate project "In the footsteps of Robert Louis Stevenson",

*Dear Michel and Laura*

It is my great pleasure hereby to confirm that your route has been approved for certification as a Council of Europe Cultural Route. At its meeting on 28-29 April 2015, the Governing Board of the Enlarged Partial Agreement on Cultural Routes (EPA) expressed its agreement with the recommendation of its Bureau after your presentation and the ensuing discussions.

On behalf of the EPA and the European Institute of Cultural Routes, I would like to congratulate you and all the members of the network on your certification and invite you to use the logo of the Council of Europe on all visibility and communication materials in the future, as well as to ensure continued conformity with the criteria for certification. Your route will be re-evaluated in three years' time to verify this conformity.

A ceremony to hand over the certificate signed by the Secretary General of the Council of Europe may be organised in the coming weeks at a suitable date. I invite you to contact the secretariat to discuss details. In particular, the representatives of the relevant ministries of member states of the EPA which are part of your network should be informed about the event.

You are also invited to send a short text and photographs to the secretariat in order for the "In the footsteps of Robert Louis Stevenson", to be added to our information brochure and exhibition on the routes.

Yours sincerely

*congratulations!*

*Penelope Denu*
